About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (661) 294-5315.

Opportunities for Parental Involvement

Emblem Academy is privileged to have a high level of parental support. Volunteers work at the school daily to assist in the classroom, library, office and out at the Student Valet Lane. Emblem is very fortunate to have an active PTA. Students and staff benefit from the many activities that PTA plans and implements.

Parents may also participate by being elected to Emblem's School Site Council or become involved in a District committee such as the Parent Advisory Council. Any parent interested in becoming an Emblem parent volunteer should contact the school office for additional information.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

School Safety Plan

Emblem Academy provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Emblem Parent/Student Handbook outlines district and school policies and procedures concerning emergency situations, playground behavior, and special services. Fire Drills are conducted monthly. Disaster preparedness drills are conducted quarterly and include earthquake and lock down.

Emblem Academy is a closed campus. During school hours, the entrance is secured to ensure visitors check in with the front office. All visitors are required to sign in and wear a visitor's badge during their stay, and check out at the front office upon departure.

A comprehensive School Safety Plan developed under SB18 guidelines addresses each of the following four goals:

- All students and staff members are provided a safe teaching and learning environment.
- All students are safe and secure while at school and when traveling to and from school.
- District programs and approved community resources are made available to students and parents.

Types of Services Funded at Emblem Academy

State and federal specially-funded programs at our school include: Standards-based Textbooks and Materials purchases, Gifted and Talented student instruction, English Language Learner services, and School Improvement activities.

Professional Development provided for Teachers at Emblem Academy

Since 1988, California has sought to provide intensive learning experiences for beginning teachers. To provide an effective transition into the teaching career for first-year and second-year teachers, several programs have been developed statewide and are in use in our district. The Beginning Teacher Support and Assessment (BTSA) program extends individual support and training and support success in the practice of teaching.

Professional growth activities are planned annually based on current need and input received from staff. The current teachers' work calendar includes three professional development days. Teachers continue to be trained in Brain Based Directed instruction as well as Systematic ELD instruction.

During the 2014-2015 school year the Saugus District will implement California State Common Core Standards (CCSS). Common Core professional development opportunities are being planned at the site and District levels.

The primary focus at Emblem School for staff development is Brain Based Directed Instruction, Standards Based Units of Study (SBUS), Common Core implementation, Systematic ELD instruction for EL students.
