School Description

Emblem Academy is one of 15 elementary schools within the Saugus Union School District. The Saugus Union School District is located in the Santa Clarita Valley which is in northeastern Los Angeles County.

Emblem Academy houses approximately 775 Pre-Kindergarten through sixth grade students. Approximately 65 Emblem students are enrolled in the Regional Autism Program. All teachers at Emblem are fully credentialed. Emblem's academic calendar follows the District calendar that covers 180 school days beginning in August and ending in June.

With a focus on Science, Technology, Engineering and Mathematics combined with Ethics and Entrepreneurship (ESTEEM), Emblem strives to incorporate 21st Century learning skills that include critical thinking, collaboration, cooperation, communication, and creativity.

Emblem's Mission:

Blending ethics and the spirit of entrepreneurship with the technical skills of STEM to create a unique opportunity for all students to gain and apply 21st century skills that include the four "C's"

....

- * Critical Thinking
- * Communication
- * Collaboration
- * Creativity

Emblem's Vision:

To create a dynamic learning environment where all students, teachers and parents become involved in the learning process.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

Students, staff, and parents take pride in our school. Our custodians ensure a clean, safe environment where learning takes place. Students participate in character-building programs which help instill a sense of pride in our campus while reinforcing environmental responsibility. Playground supervisors work closely with staff to see that children enjoy safe activities.

A district/school safety committee inspects the campus on a regular basis. Students take part in monthly fire and earthquake drills to ensure preparedness in the event of an emergency.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Results for All Students - Three-Year Comparison

* Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

White	56	53	94.6	81.1
Socioeconomically Disadvantaged	16	15	93.8	66.7
Students with Disabilities	25	22	88.0	63.6

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Students with Disabilities	3	13	12	92.3	25.0
	5	25	23	92.0	21.7
	6	16	15	93.8	13.3

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

Emblem Academy is privileged to have a high level of parental support. Volunteers work at the school daily to assist in the classroom, library, office and out at the Student Valet Lane. Emblem is very fortunate to have an active PTA. Students and staff benefit from the many activities that PTA plans and implements.

Parents may also participate by being elected to Emblem’s School Site Council or become involved in a District committee such as the Parent Advisory Council. Any parent interested in becoming an Emblem parent volunteer should contact the school office for additional information.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Emblem Academy provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Emblem Parent/Student Handbook outlines district and school policies and procedures concerning emergency situations, playground behavior, and special services. Fire Drills are conducted monthly. Disaster preparedness drills are conducted quarterly and include earthquake and lock down.

Emblem Academy is a closed campus. During school hours, the entrance is secured to ensure visitors check in with the front office. All visitors are required to sign in and wear a visitor's badge during their stay, and check out at the front office upon departure.

A comprehensive School Safety Plan developed under SB18 guidelines addresses each of the following four goals:

- All students and staff members are provided a safe teaching and learning environment.
- All students are safe and secure while at school and when traveling to and from school.
- District programs and approved community resources are made available to students and parents.
- Schools provide the educational environment where students, parents, staff, and community members shall effectively communicate in a manner that is respectful to all cultural, racial, and religious backgrounds.

Professional Development provided for Teachers

Professional growth activities are planned annually based on current need and input received from staff. The Saugus Union School District calendar includes two professional development days for teachers and staff. During these staff development days, the District offers a variety of choices for professional growth. Some of these include training in the new Next Generation Science Standards, academic vocabulary, and Standards Based Units of Study (SBUS). Teachers are also supported with continued training in Brain Based Directed instruction and Systematic ELD instruction.

The District recently purchased Interactive Flat Panels (IFP) for every classroom with Measure EE funds. The District is committed to providing ongoing training to all teachers for operating IFP hardware and software.

The Saugus Union School District is also committed to supporting new teachers to the District. All teachers newly hired to Saugus receive support through the Induction or PAR programs.

Emblem Academy supports District initiatives by providing additional training during staff meetings and collegial planning time. Emblem also provides teachers additional training in STEM through programs like STEMscopes, Engineering in Elementary, and Project Lead The Way.

Types of Services Funded

State and federal specially-funded programs at our school include: Standards-based Textbooks and Materials purchases, Gifted and Talented student instruction, English Language Learner services, and School Improvement activities.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
